Subject: Invitation for Partnership: Web3 Davao Event Featuring Luluchain

Dear Organization Lead,

I hope this letter finds you well. On behalf of Web3 Davao, we are excited to invite the University of Southeastern Philippines tech organization to join us as a valued community event partner for our upcoming Web3 Davao Meetup, featuring Luluchain. The event is set to take place on November 30, 2024, from 5:00 PM to 9:00 PM at Seattle Dream Cafe, Davao.

This unique event will explore the future of finance, with a focus on how innovations like Luluchain are transforming human emotions into digital assets using cutting-edge blockchain and **AI technology**. It promises to be a dynamic evening with opportunities for education, engagement, and networking, drawing entrepreneurs, tech enthusiasts, and thought leaders from various sectors.

Event Highlights:

Welcome Remarks: Delivered by **Rod Albores, Co-Founder of Web3 Davao**.

Keynote Presentation: A 50-minute session by **Luluchain** on "Turning Emotions into Digital Assets: The Future of Emotional Value in

Decentralized Finance.”

Panel Discussion: An engaging conversation with key industry leaders, offering insights into emotional value, AI, blockchain, and decentralized finance.

Networking Dinner & Socials: A chance to connect with the movers and shakers of the Web3 ecosystem.

Why Partner with Us?

As a community event partner, the University of Southeastern Philippines can:

- Showcase its commitment to advancing technological education and blockchain innovation.
- Provide students and organization members with exposure to real-world applications of Web3 technologies.
- Engage directly with industry experts and foster new opportunities for collaboration.

We believe that your organization’s involvement would greatly enrich the event, and we would be honored to have your support. Please let us know if you are open to collaborating with us as a partner and how we can further engage the students and faculty at your esteemed institution.

Should you have any questions or need further information, feel free to contact me at [web3dvo@gmail.com] or [0966 175 2019]. We look forward to the possibility of partnering with the University of Southeastern Philippines to make this event a memorable and impactful experience.

Thank you for considering this partnership opportunity.

Warm regards,

Rjay Solamo
